Vilanova Park

Vilanova Park is a first category holiday park near to Barcelona. It is one of the most beautiful campsites in Spain, complete with a huge range of first class facilities and services.

The park is located in the town of Vilanova-i-la-Geltrú, a seaside town on the Costa Dorada, with excellent weather all year round. The town has a main-line station and is well connected to such places as Barcelona, Salou, Universal Port Aventura, Tarragona, Sitges (with a championship 18 hole golf course), to name but a few, with trains running every 15 minutes – a perfect base for visiting the area!

Barcelona – the city that never sleeps – is truly THE city of Europe. Wander the old streets in the Gothic Quarter, marvel at the modernist Gaudi architecture, stroll down the famous Ramblas – culture, history, museums, shopping for all tastes, restaurants, bars, nightspots, live music, street theatre – you name it, Barcelona can offer it!

No visit to the area would be complete without a day (or more) at Universal Port Aventura theme park and water park – fun and excitement for ALL the family! Vilanova Park is on the outskirts of the town, set in a natural park with a wide range of vegetation and its own mini zoo.

Within the park you will find the bar, cafeteria and restaurant all set in the original Catalan Modernist farm buildings (1908), boasting a large terrace overlooking one of the swimming pools and the sea. The other swimming pool, complete with its own bar and terrace, is set in the highest part of the park with a wonderful birds-eye view over the town and the sea.

Right next door to the park there is a golf course and club open to site guests.
